

Cottages and Farmhouses for sale in Cupra Marittima € 395.000 Ref. 621

420 sq.m. | Bathrooms:: 3 | Rooms: 7

Cupra Marittima (AP) In a beautiful panoramic position with a view of the surrounding countryside and the sea, for sale large farmhouse in its raw state with 1 ha of land.

The farmhouse was built in 2003 with high quality materials and the project offers large loggias and porches, perfect for enjoying the surrounding panorama. The property with a total covered area of approximately 520 m², with 420 m² commercial and 320 m² walkable, offers the opportunity to live in a luxurious environment customized according to the buyer's tastes and needs. The north, south, east and west orientation guarantees optimal natural lighting throughout the day. The property also includes a basement to be used as a garage or rustic. Possibility to purchase an additional approximately 5 ha of agricultural land at a price of 60,000 Euros

Excellent solution both as a single villa and as a tourist accommodation facility.
